OBJECTIVE

I am a college student seeking a position in the software industry as an entry level programmer. Programming has become my passion as technology is always evolving, and I strongly believe that pursuing a career in this field will allow me to always learn new things and grow as a programmer. I welcome challenges as I see every problem needed to be solved as an opportunity to learn more.

SKILLS

Proficient with: Javascript, HTML, CSS, Node.js, React.js, Postgresql, Express, Python, Windows Subsystem for Linux (WSL), Git
